

ROTARY DISTRICT 6890 PROUDLY PRESENTS THE November 12, 2011

BIKE & HIKE SO KIDS CAN READ

Bike

Bike rides are 18 miles and 36 miles with Metric 100 and Century 100 tours, starting in beautiful and historic downtown Bartow. These scenic rides will meander through the rolling hills of Hardee, Highlands and Polk counties. Rest stops will be strategically placed for your comfort. Upon your return a wonderful lunch will be provided by Wendy's.

Hike

Hike 5 kilometers with your family and friends through the charming streets of historic Bartow.

A fine lunch provided by Wendy's will be available later for all participants.

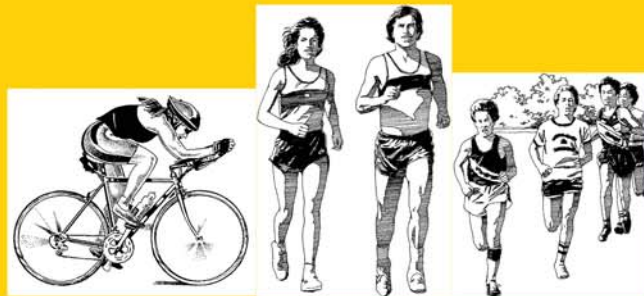

Race

Compete in a 5k sanctioned foot race starting and finishing in downtown Bartow. Stick around for lunch and fellowship.

Other Events

In addition to the bike ride, walk and race there is a wonderful opportunity for fellowship.

Other events during the Bartow Fall Craft Fair include arts and crafts, a car show, antique sale, food and kiddie attractions.

Registration can be completed on line at www.RotaryRides.org or by downloading a registration form at the same website. Registration can also be completed through www.Active.com. Registration fees are \$30 per event (\$35 on the day of the event) with children 12 or under only \$10.

BIKE & HIKE SO KIDS CAN READ

Sponsorships

All bikers, hikers and runners can obtain sponsorship dollars from their family and friends for a selected Rotary club. All funds raised on a per mile or fixed price basis will be retained by that club.

Sponsorship forms are available for downloading at www.RotaryRides.org

Dictionary Project

Profits from all event registration fees will be donated to our Dictionary Distribution Project which provides approximately 30,000 dictionaries per year to school children throughout Hardee, Highlands, Hillsborough, and Polk counties. The dictionaries are personally delivered by Rotarians to these children.

Our Sponsor

Thanks to our sponsor Wendy's who has provided financial support and lunch to all of our bike, hike and run participants.
